**The Versatile Group Enterprises** is pure Engineer's Organization which performs works associated with all aspect of Civil construction. The Company requires all it employees to accept their share of responsibility for the quality of their workmanship thus ensuring a quality Product.

The declared intent of **The Versatile Group** is to supply to its clients a product of good quality which will obtain satisfaction in use and which conforms to all aspect of the design's intent.

**The Versatile Group** accepts as part of its philosophy the fact that quality must be "built in" providing preventive measures rather than rectification measures.

The Policy is issued to clearly indicate the attitude of the company with regard to quality since such action are essential to the long term success of **The Versatile Group** competitive position, reputation and employee satisfaction.

This policy is basic to the company's operation and we ask all level staff to actively support the implementation of this quality system.

# Versatile Health and Safety Policy :

**Versatile**

ISO 9001 : 2015  
OHSAS 18001:2007

**The Versatile GroupEnterprises** is committed to the provision of the health,safety and welfare of all persons at its workplaces,including worksites,and acknowledges that Occupational Health and Safety(OH&S)is a critical component of our business and management activities.

Our commitment is based on the principal of controlling risks to a level which is considered reasonable, practicable in order to meet the legal obligations and codes of practice.

**The Versatile Group**already formalize systems to work and define responsibilities of staff.

This policy guarantee that the attitude of the company with regard to healthand safety is clearly indicated and ensure the health,safety and welfare of all persons by facilitating :

- Compliance with all applicable legislation and regulations;
- Adoption of “best practice” approach to OH&S;and
- Integration of health and safety into all aspects of **The Versatile Groups** business.

In order to maintain safe and Healthy workplace,**The Versatile GroupEnterprises will :**

- Seek to ensure its facilities operate to the highest standards to protect directors, staff, subcontractors, visitors and the public;
- Provide safe system of work developed in consultation with staff taking into account the hazards indentified and implementing risk minimization controls;
- Provide appropriate training,information,induction and supervision on systemto all who work in its business activities so that they are able to comply in a responsible and lawful manner;
- Seek to improve, develop and enhance new programs and procedures to actively increase the OH&S outcomes.
- Ensure the reporting and investigation of injuries,illness,incidents and near misses is conducted in a consultative manner to prevent recurrences.
- Measure and evaluate OH&S performance by regular monitoring audits and inspections of compliances with **The Versatile GroupEnterprises** policies and legal obligations.
- Consult with staff and encourage initiatives that contributes to a safer and improved working environment.

All staff have strict obligations and responsibilities under this policy to put safe first, to work safely and to report unsafe work practices or situations to their manager or supervisor.The Directors strongly endorses this policy and will regards breaches of it very seriously.

## Versatile Environmental Policy :

**Versatile**

ISO 9001 : 2015  
OHSAS 18001:2007

The **Versatile Group Enterprises** have adopted the principles of environmentally responsible developments. We recognize our responsibility to meet community expectation and we are committed to the continuous improvement of our environmental performance .We believe that environmental stewardship is both a management obligation and the responsibilities of every employee.

### To achieve this we will :

- Maintain and continuously improve the environmental management system across the organization.
- Ensure all employees and subcontractors receive appropriate training to fulfill their individual environmental responsibilities.
- Proactively pursue the identification of all hazards and eliminate or,if not possible, Manage the risk to as low as reasonably practicable.
- Establish annual environmental objectives and targets and implement programs to achieve them.
- As Maximum **The Versatile Group Enterprises** will comply with use many more recyclable row material.
- Implement strategies to minimize pollution, manage waste effectively, use water and energy efficiently and address relevant cultural heritage biodiversity issues.
- Enquire that companies providing services to **The Versatile Group Enterprises** manage their environmental performance in line with this policy.
- Steward the environmental performance of joint venture activities operated by others.

## Versatile Team:

**Versatile**

ISO 9001 : 2015  
OHSAS 18001:2007
